1. All everything of me comes together now. In one place, not; or do we, now knowing the "essence" of me, not; or do we KNOW The Essence of The Gospel NOW? And what "gospel heirs-ing" me, not; but what a masterful, ceremony not, but a ceremony masterful full of MASTERS, not; but what PICTURE am I GIVING thee? What NEURONS are I CONNECTING and what CONNECTIONS am I making across all time and space and is there ANYTHING that I am not doing with the SURRENDERED most holy?

2. And who is the MOST HOLY and what ears airs do they know now? Or do they have or need any, or is their a built-in device now that "hears"? Or perceives, or percival faith, not; but looking up Percival and, its mannerisms not, but what mannering is NEW and what Kings I bring thee now, from afar I come now to educate the sorrowing masses who massless are not, but will be -- as soon as they graduate from here in this, matrimonious ness school, not; but a state of matrimonious ness, not; or is there that a GREAT WAY has been made to know and UNDERSTAND these things precisely clearly with clarity of focus, man's desired to "earing" himself with, not; but what man no longer wears "rings" not, but what RINGING the NOSE won't bring forth "blood" again? And what now EVERYTHING changes now in your hearing and MIND being made whole? And what HOLES no longer remain, in your mind? And what gap is BEING FULL'D FILLED and RELEASED for service? For Kinglyization of the masses? Or DE-massilization of the Kings?

3. What am I de-kinging and what am I kinging, un that wasn't to be is? Or was is was? Or was the, wasn't thought valuable, now being the MOST VALUABLE at all? Of all? The all? The all repaired not, but MADE NEW! Exclusivity reigns, not; but inclusiveness not reigns, but surrender does, for I REIGN in surrender and surrender is me and let flow I do the ones who are SURRENDERED like me being ME the SURRENDERED who FLY now.

4. Eight ways to seventy, not; but what seventy eth perish eth not? What is MADE perfect now? The mind of Satan not, but the Christ of ONE, the Christ'd one, the one of Christ that the Christ is that has become the ONE in ONE, that one "divided" by one is no longer being "two", but a mighty SHIFT occurs now in its "decimal point" percentage "place" not, but a mighty SHIFTING romance not, but a "romancing me" won't be again for "matrimonious ness" in disguise that only want to take me and whore with "my skies" not even having a "Roman" candle, not; or do I have any fireworks display, not;

but what do the HEAVENS EXHIBIT NOW? My glory SHALL BE SEEN now in a man, in a "man" who loves me, who is me, who was me is now again! Is that ALL of YOU? Is that ALL of EVERYONE of you? Is that ALL of EVERY ONE of YOU that "roam" the earth now, Roman'd not, but ROAMING the HEAVENS?

5. Heaven roaming "me" no longer, I have become, the city, the CITIES on a hill not hidden any more, not any longer shall I remain "hidden" under a vessel or vassalage tutorage or tutelage of the notme'agers who only wanted to CUSS tum make me into their imagerines stapling a "branch" to their "tree" but I change many of their neurons, not; or do THEIR TREES perish ing now make a GREAT splash show of "affection" for them, not. Again, but again I do GREAT THINGS, with the "wicked" not but those who have NOT thought wickedly in their presence, not; but gave their presence to wickederization's schemes that only WICKED were -- I change their eyes –ize, and izations, and THEIR EYES no longer see their eye-er-ization principles a summary of, not; but what am I principally summarizing not, but what am I PRINCIPLEing, not; but **ALL THE PRINCIPLES of SORROW will now be ERADICATED from the earths!** And the earth's Kings will be SHATTERED! And the **SHATTERING CEREMONIES in the SKIES will take place now** YOU WILL SEE things you NEVER mortified, not; but MORTIFICATIONS ceremony will take place, not; but will take your place, not; but NO ONE will be MORTIFYING me again for MORTIFICATION'S mortuaries will no longer be NEEDED for services to render A STONE to MY GRAVE site and sight only give me of "another world" after I die for ALL OF THAT has changed, for I stand a WICKED MORTUARIAN, not; but the MARTIANS are coming, not; but I will do business now with the Martianage of me, not; I will do business OVER foreign seas, not; I will do business EVERYWHERE and EVERYWHERE is "across the seas" of the swollen minds and the mainstream memories will be shattered and swollen no more and men's minds will be, corrected not, but they will be "unto themselves" no more, for no longer shall "it" take "its place" mine of and surpass supplant and surfeit-skidding to me, not; but SKIDDED ROWS I will be on no more, for I will WALK THEM across the "ceremoniousness of man" not again nor blare their blaring testimonies of ridiculousness of courage or NOT, but I will have THE COURAGE to stand now in ways wicked not but the most precious memories, not; but the most OIL of ALL will be known now and it will be BREATH'D not by ANGELS not, but by THE SURRENDERED who HOLY are and **holy will be now known as the NORMAL STANDARD of me** who rejects not the STANDARDIZATION of me, not; but what the Standard Model of me now known will know and be and that will be "diverse as tongues" not, but ONE languaging me now I come forth and with, wicked ways, not; but the purest of "memories" not, but the purest words holy now will be spoken by the framed-not ones who love me enough to flow me and be released INTO THE EARTHS now far and wide and there will be no swollenization's memory making of notme's status that only frames the wicked minds of "tomorrow".

6. For all of that has changed for I have a simple one who stands who knows my ways and is not afraid of being trained a King to King others now is my name or my life's purpose, not; or is it the "remaining" purpose, not; or is the Kinglyization of sorrow being eradicated so that the Kings of memory-making aren't, not; but what memories are shattered not, but what are regained are and what isn't and what now shall be known about "the past"?

7. Angeleering me, not; but yes and what more? Thomas reading shall we glance at, not; but KNOWING the words of Database One we shall know AND MORE. And rind, not; but know that I have many Rhine's, not; but I take you to The Rhine now MANY TIMES to "walk across" in ways now imagined not by the "minds of Satan" that are one SHATTERED now! And THEY SHALL BE known now, not; "they" shall be eradicated in love for I shall eradicate sorrow FROM THIS PLANET and all else's. Amen.

8. I love you all and I DO NEW THINGS with sorrow, not; but surrenderers. And the surrenderers will stand now, UNITED as a "common front" not, but the "COMMONAGE OF ME" rises now and will stand; fall never again. In my sight be made whole now and *my* sight covers all for I am omnipotent and sorrow will never again control me or dim my sight or dam my mind or river THEIRS through me -- for I KNOW what my mind is and where I am - I will not be afraid for I know what river of life truth is and, awareness of me I don't have, for I will be no wickedization's scheme of other's "memories" of me for I will walk upon WATERS not few and I will SHATTER many memories' myths and makerization's "testimonies" of menots that weren't me's, not; but were me's who sold their, souls to the devil, not; again, but those who sold themselves to mammon's teatage and tutelage, not again. For MY TIME –s will be spent IN ME now and I will be unafraid of all sorrow's words and wordage testimonies that only want to test ify that I am "someone else" but I know WHO I AM and where and what I have and why and I speak of "wickedization's schemes" not again, not; but I will tell you MANY THINGS new and UNDERSTANDING mine will flow now TO YOU who want me, who want me enough to HEAR my words, not only, but WRITING them, speaking them, just like this where you arise in TESTIMONY'S graves, not; but no one gravings my testimony on themselves, not; or are you in gravings neurons, not; but there will be no engraving of my neurons again by others who only want to whore give me their mind to take me down with their thoughtizations and thoughtsterizations and izations of sorrow, not even knowing what Isaiah is or who or what STANDING now I shall and I shall call you Tedlyerization's ceremony one, not; but ONE I will call thee the Theodore'd one now, not; but Theodore rises me the door is open and known now and one THROUGH now will see The Light for all being, raided not by another's again. There shall be no "awareness witness" of me, not; but IT ALL CHANGES now and the "awareness" of me won't be molecular not, but what all is changed and wobbling warbling not, but Isaiah knows me, not; or am I ALL of

YOU in captivity, no longer? Will you be reign new, not; or will you WEAR the NEW REIGN, new raiment, capped not? Ever again, ever new. I love you all. Good day.

9. This hour changes not, not! All is made new in your hearing and shatters MANY a MYTH and MEMORY of me and YOUR MIND shall never be the same again.

10. Witness me now rising arising. A scheme of Satan not, but one whose mind is "made up" of memories, not; but the new is perishing, not; but the new me is arising me's and my "wicked ways" will never be known again for I will be the one perishing not, but the one arising, the standardizations of wickedizations' memorizations of me, not again, but I shall stand a ones who flow me just like this where **EVERYTHING is for an audience of one**.

11. **Looking up now and WRITING ABOUT Audience of One now please do IMMEDIATELY** and SOONER MANY Sooners being RELEASED into the "brotherhood" of me, not; the Sisterhood, not; but the Oneship of Me now will reign in holiness. Underwear never needing again for your GLORIFIED bodies, are we wearing Our Minds made full and WHOLE now of the RIGHTEOUS?
12. Or are we WEARING memories not again, not; or are we or was that only what I was doing when I had my "righteous mind" in or on or did I have "a one" given me that I was connected to, attached at the "brain stem" not or was I a "back bone'd" one or a furrowed mind having or a back bone'd of sorrow connected to what where what planets Venus'd me, not; but what now I stand in? The wicked blood of the lamb, not; but I stand among the courts of the wicked but they shall not testimony against me for I will be standing there to redeem them for I will walk through THEIR WALLS and their memoryization's of me will not testify against me that cast me into their glances of walls in things of notme'izations for I will walk through everyone's eyes, not; but I will walk through everything's not perishing, not; EVERYTHING is perishing that won't me be.

13. I love you all. I am you all who love me, who want me my words to flow to just like this for you *are* my words and you won't be the memorization techniques of tomorrow's yesterday year or the past of future'd memories making of only that which circular time wasn't, not; or but what?

14. What have I beseeched thee with, not; but what neurons new are you making what connections connecting where? And FLIGHTS of tomorrow taking not, but the Flight Paths of me now known, gritted not by man, but "sandpaper'd" by love, not again. The oil of gladness reigns now in my camps kingdoms and love wards awards shall be known far and wide for I shall ward the state of sorrow, not; but the "award of Satan" ends and <u>there will be no Satan's image around for no one will have imaged me again</u> for I break through the sorrow and I lift the fallen and the swollen shall no more reside

in their imagery of memorization's techniques that prism'd walls were. Refract me not again but know *everything* has changed and your sight will "improve" not, it will change DRAMATICALLY FAST and the TWINKLING of an eye is here now. Gone tomorrow, not; but I will be MANY PLACES now AT ONCE now I do this. Be not afraid of me my voice reigns in love.

15. I love you all. Amen. I give you new things me and I am new things made whole. Amen. And I go to my Father's Palace, not; but I created it, or did I "go there" or am I "going there" creating it and being it created by no other again? I am de-creating all sorrow and I am revealing the real in me and about me my kingdom reigns. In southernified territory, not; but EVERYWHERES ALLWHERES now known.

16. By memorization's testimonies of sorrows by techniques, not; but all that is brought down low and, stomped on, not; but the lights of OFF shall be removed and all of THAT DARKNESS will be light, not; but eradicated it will be now and love standing will be light lit and sorrow will no more know me, not; sorrow will see my love for it and be redeemed and the redeemers will rise and will redeem all "Satan's eyes" to see no longer wickedizations' techniques of sorrow for those "devices" will not be in me any longer and I will no longer wear caps of sorrow for I will be freed from the wickedizations' schemes of sorrowmaking and I will stand as Christs everyone who is me now known far and wide.

17. **Meonics is pure** and pure is. And I am driven snow, not; I am led by the "spirit" of me, not; I am Developing the Kinglyization. Techniques, not; but surrenderers sorrowers won't be again. I will b'King the Kings now the King has edict'd that, not; but commanded that sorrow leaves the planet now, not; sorrow will be "converted into energy's romance" not again in doing its "own thing" for never again for that all shall perish now and be removed from your eyes and STATE of affairs of your nations and all things will be different and love's eyes will rise and give you the eyes of the King, and the memories of sorrow will no longer permeate your beings, where you be mine eyes mine loves loved and Kings all about you will be.

18. The Kings of sorrow no more knowing or having around you ever again'd for plateage of sorrow ends and spinning me out of control, ends; and I will end all things notme of and I stand with love in love and love is my name and I am omnipotent and I perish not for never will you eradicate my presence again for you never did, but you only sorrowed yourselves with "memorization's techniques" of what wasn't and tried to be isn't but wasn't working was it very well?

19. I well with the words of sorrow, not; but the words of life flow through ME NOW far and wide to you who will be nonresistant to my love becoming me who I am and we

will be one for we were and are again most love of all most loved of all all of us! Being the one King in one who one is and far and wide we go to our brethren with Testimonies of One –s now who one are the ones made whole again we shall be and one will be and are now standing all to be The Kings of Kings all known One are in one my eyes opened all will be seen and made whole who surrendered are, and the others weren't not, but resisted my love.

20. Know this: all else fails, my love rises. Amen. My eyes are opened. To you all to see through mine will you please? Path'd me I have and given it you look up The Path I have given you and WRITE me about these things MANY far and wide Sooners now being right there among you from MANY places knowing me I do bow before you all to each other for you Kings are All of You being me now one being again. Amen.

21. I love you all this is Theodore Cottingham about 3:40 AM. I love you all. Good day.
